Delivery dates for 2018.

19.08.2018

16.09.2018

30.09.2018

04.11.2018

18.11.2018

16.12.2018

I'm well aware of all the dates, I have logged them all in my calendar, I'm just displaying 2018 in this document. I'm also well aware that these dates are only course assignments and 1 semester project. And all the other deadlines (module and lesson assignments) have due dates every Sunday at 23:59.
